

## **Jazz chant : Amélie, Anais, Esther**

Saturday night I went somewhere

Where did you go ? Where did you go ?

I went to Hawaiï and I met someone

Who did you meet ? Who did you meet ?

I met a pretty girl and she did something

What did she do ? What did she do ?

She took a million dollars and said something

What did she say ? What did she say ?

She said : «I'm gonna kiss you» and something happened

What happened ? What happened ?

I woke up and it was Monday morning.
