

The best jazz chant : Elise, Julie and Chloé

Saturday night I went somewhere

Where did you go ? Where did you go ?

I went to China and I met someone

Who did you meet ? Who did you meet ?

I met a wizard and he did something

What did he do ? What did he do ?

He took a gold necklace and said something

What did he say ? What did he say ?

He said : « I'm gonna give you something » and something happened

What happened ? What happened ?

I woke up and it was Monday morning.
